Dear Brother & Sister Shields,

Metropolitan Life Governors' Association

I have pleasure in officially advising you that at a Committee of Management meeting held earlier this year, you were both appointed a Life Governor of the Centenary Centre, and I would extend to you my congratulations on receiving this well deserved honour.

I have advised the Secretary of the Association, Bro.A.W.Wallace, of this appointment.

May I mention that it was a practice for many years to issue a Life Governor's certificate to appointees, but by resolution at an Annual General Meeting some time ago it was discontinued.

Yours fraternally,

H.N. Stambolen

Grand Secretary.
